

Setting up District Email on iPhone

Open Settings

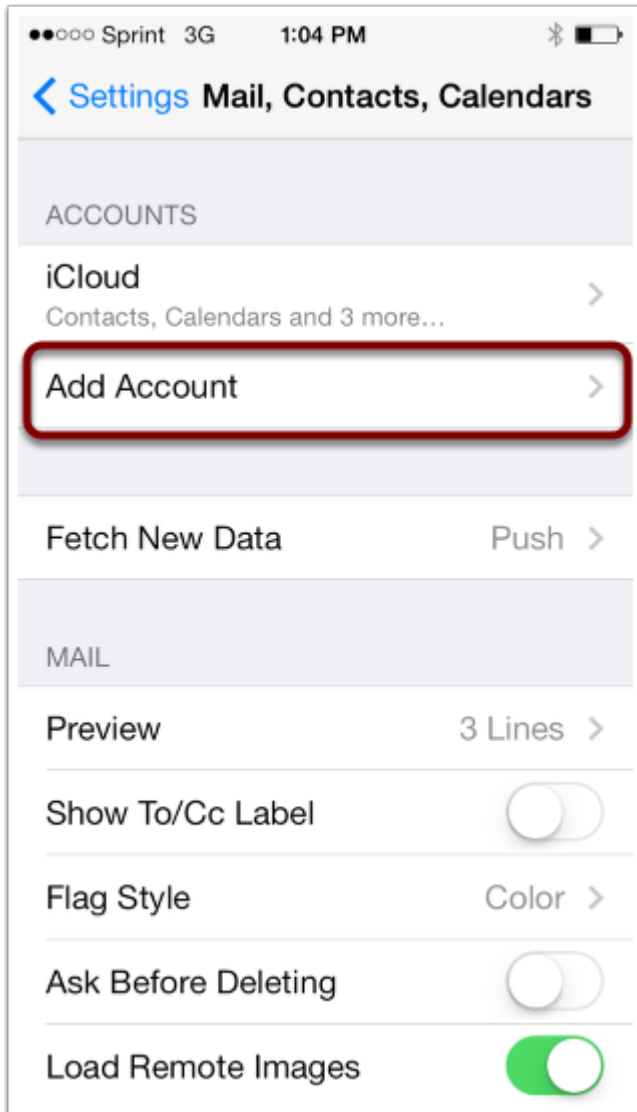

Setting up District Email on iPhone

Open "Mail, Contacts, Calendars"

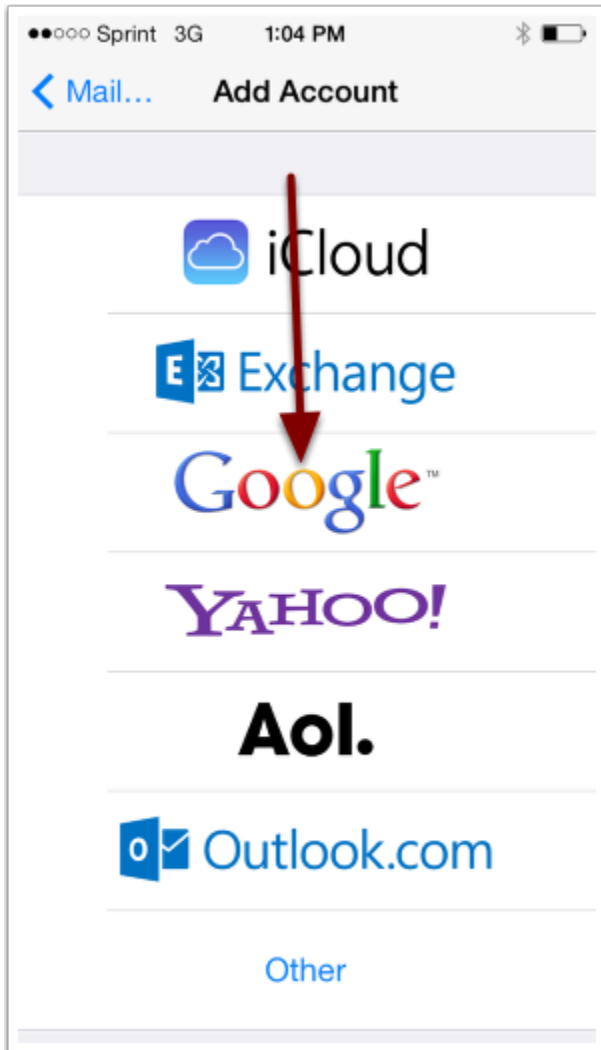

Setting up District Email on iPhone

Select "Add Account"

Setting up District Email on iPhone

Select "Google"

Setting up District Email on iPhone

Put in your Name, District E-mail Address, Password, and what you want the account called in your phone. Select "Next".

The screenshot shows the Gmail account setup screen on an iPhone. The status bar at the top indicates 'Sprint 3G' and '1:04 PM'. The title bar contains 'Cancel', 'Gmail', and 'Next' buttons. The 'Next' button is highlighted with a red box. Below the title bar, there are four input fields, each with a label and a value:

Name	John Appleseed
Email	example@gmail.com
Password	Required
Description	My Gmail Account

Setting up District Email on iPhone

Turn on what you want shared with your phone and select "Save"
